

**Sino-Australia International Conference**

**on Air Quality Science and Management, Shanghai, 20-22 Oct, 2016**

*Thursday, 20 October – Saturday, 22 October 2016*

*Venue: No. 10 meeting room (3rd Floor), FUYUE Hotel, Line. 208 Rongyue Road,  
 Songjiang District, Shanghai 201613, P.R. China*

**October 19 (Wednesday)**

9:00-18:00	Registration: lobby of FUYUE Hotel
------------	------------------------------------

**October 20 (Thursday)**

9:00-9:30	Opening and introduction by Prof. Jianmin Chen, and delegates from Australia
9:30-10:30	Board Meeting
10:30-10:45	Tea break
10:45-11:30	Board Meeting
11:30-13:30	Lunch(Buffet, Manhadon, 1st Floor)
13:30-14:30	Executive committee meeting
14:30-14:45	Tea break
14:45-15:45	Executive committee meeting
15:45-	Tour and dinner

## Sino-Australia International Conference

on Air Quality Science and Management, Shanghai, 20-22 Oct, 2016

Friday afternoon Lunch time 11:30-13:30 No.26 Dining Room, 2nd Floor

October 21 (Friday afternoon)			
Time	People	Title	Affiliation
13:15-13:30	Introduction by Prof. Jianmin Chen		
13:30-14:15	Prof. Lidia Morawska Prof. Haidong Kan Prof. Wei Huang	WHO Air Quality Guidelines: past, present and their significance for China	Queensland University of Technology Fudan University Peking University
14:15-14:30	Prof. Min Hu	New Particle Formation in China	Peking University
14:30-14:45	Prof. Xin Yang	Size resolved chemical composition, effective density and optical properties of biomass burning particles	Fudan University
14:45-15:00	Prof. Kong-Ho Ahn	Vertical Atmospheric Aerosol Profile Measurement using Drone & PM-Sonde System	Hanyang University, Seoul
15:00-15:15	Prof. Hai Guo	Evaluation of the effectiveness of air pollution control measures in Hong Kong	The Hong Kong Polytechnic University
15:15-15:30	Dr. Krassi Rumchev	Airborne pollution and cardiovascular health effects	Curtin Health Innovation Research Institute
15:30-15:45	Tea break		
15:45-16:00	Prof. Li Li	Main controlling factors on ozone pollution in Yangtze river delta	Shanghai Academy of Environmental Sciences
16:00-16:15	Prof. Yinping Zhang	Indoor Air Cleaning: Where are we and where are we going?	Tsinghua University
16:15-16:30	Prof. Jian Gao	Development and application of air sensors: rise of new generation air monitoring network	Chinese Research Academy of Environmental Sciences
16:30-16:45	Prof. Chung-Shin Yuan	Chemical Characteristics and Source Identification of Marine Fine Aerosols at Two Islands in Taiwan Strait and South China Sea	National Sun Yat-sen University
16:45-17:00	Christina Candido	Green building in no so green dense urban environments: the challenges for Indoor Air Quality and office workers' health and productivity	The University of Sydney
17:00-17:15	Dr. Rohan Jayaratne	Particle mass and number concentration along the Yangtze River	Queensland University of Technology
17:15-17:30	Dr. Mandana Mazaheri	Children's Exposure to Air Pollution at School Microenvironments	Queensland University of Technology
17:30-17:45	Dr. Wei Ye	Ventilation rate determinants, requirements and implementation methods for indoor pollutant in civic buildings in China	Tongji University
Dinner No.26 Dining Room, 2nd Floor			

## Sino-Australia International Conference

on Air Quality Science and Management, Shanghai, 20-22 Oct, 2016

October 22 (Saturday **morning**)

Time	People	Title	Affiliation
8:30-8:45	Prof. Tong Zhu	Estimating adult mortality attributable to PM2.5 exposure in China with assimilated PM2.5 concentrations based on a ground monitoring network	Peking University
8:45-9:00	Prof. Qingyan(Jackie) Fu	Present situation and cause analysis of ozone pollution in Yangtze river delta	Shanghai Environmental Monitoring Center
9:00-9:15	Prof. Lidia Morawska	Performance evaluation of low cost air quality sensors	Queensland University of Technology
9:15-9:30	Prof. Shun-Cheng (Frank) Lee	OVOC and VOC measurement by PTRMS in HK	The Hong Kong Polytechnic University
9:30-9:45	Dr. Svetlana Stevanovic	Measurement of oxidative potential of combustion generated aerosols	Queensland University of Technology
9:45-10:00	Mr. Liyuan Zhang	Dig data analysis of PM concentration increase with strong fluctuation of air humidity	Xi'an Jiaotong University
10:00-10:15	Ms. Gina Guo	The role of biofuels on the performance of after-treatment devices (ATDs)	Queensland University of Technology
10:15-10:30	Dr. Yan Zhang	Influence of ship emissions on urban air quality	Fudan University
10:30-10:45	Dr. Buddhi Pushpawela	First observation with a NAIS in Beijing	Queensland University of Technology
10:45-11:00	<b>Tea break</b>		
11:00-11:30	<b>Project meeting</b>		
11:30-12:15	<b>Summary of the conference</b>		

**\*The check-out time for Fuyue Hotel is before 14:00.**
