**Regional Air Pollution under Climate Change: Current
Status and Prevention Measures &
The 2025 Annual Conference of Australia-China Centre for
Air Quality Science and Management**

Dear ACC-AQSM members:

In order to strengthen collaboration and exchange among the members of the Australia-China Centre for Air Quality Science and Management (ACC-AQSM) and to enhance our international influence and contribution in the field of atmospheric environment science and management in the Asia-Pacific region, we cordially invite you to participate in the 2025 Annual Conference of the ACC-AQSM, to be held in **Bangkok, Thailand, from November 27-30, 2025.**

This conference will bring together experts and scholars, government officials, and industry representatives from China, Australia, New Zealand, South Asia, Southeast Asia, East Asia, and other regions. Participants will engage in discussions on regional air pollution and climate change issues, promote multilateral cooperation, and enhance the effectiveness of collaborative efforts.

1. Conference date and location

November 27-30, 2025, Bangkok, Thailand

2. Conference Sessions

Session 1: Regional Air Pollution: Status & Measurement

Session 2: Air Quality in a Changing Climate

Session 3: Regional Air Pollution Control Strategy

3. Conference organizations

Organized by:

Australia-China Centre for Air Quality Science and Management (ACC-AQSM)

International Centre for Integrated Mountain Development (ICIMOD)

U.N. Economic and Social Commission for Asia and the Pacific (UN ESCAP)

Hosted by:

Chinese Research Academy of Environmental Sciences (CRAES)

Jinan University (JNU)

Queensland University of Technology (QUT)

(Continuously updating)

4. Preliminary Agenda

November 27, 2025 Arrival and registration

November 28, 2025 Conference opening, Keynote speeches and Sessions 1&2

November 29, 2025 Session 3, Group discussions, and Conference closing

November 30, 2025 Visiting and Departure

5. Contact
